# Itinerary

## **Day 1: Arrival in Windhoek- travel to Swakopmund**

Unless we have unforeseen travel delays, we will be departing Windhoek and travelling to Swakopmund (approx. 5-hour drive).

**Swakopmund** is a coastal town in Namibia, west of the capital, Windhoek. Swakopmund was established by German colonists in 1892 and boasts with many colonial landmarks. With its sandy beaches facing the Atlantic Ocean and landmarks such as the Swakopmund Lighthouse, the Mole, an old sea wall and Museum, Swakopmund is sure to show you some of our Namibian history.

Accommodation at: [www.beachlodge.com.na](http://www.beachlodge.com.na)

“Beach Lodge is one of the few accommodation establishments in Swakopmund that is situated right on the beach and in fact you will not be able to get any closer to the sea than this. Enjoy the magnificent view of the sea from each room, listen to the restless waves and smell the fresh sea breeze.

The location, quirky architecture, ambiance, food and service will all contribute to making your stay a pleasant and relaxed one. The signature restaurant “The Wreck” is situated on the second floor and offers uninterrupted sea-views, beautifully presented delicious food with attentive service in an elegant environment.”

### **Included in package:**

- Pickup from Hosea Kutako International Airport and transfer to Swakopmund.
- all meals
- 3 nights’ accommodation in Swakopmund
- Soft drinks, beer and selected wine.
- Transport in and around Swakopmund
- Namib Desert tour

### **Excluded from package:**

- All alcohol beverages( Except for Beer and wine)
- other extra day activities

A drive into Swakopmund (included in pkg. price) – wander around on your own and explore the city

-or book a city tour **(not included in pkg. price)**

-or visit the Museum **(included in the pkg price)**

## Day 3: Swakopmund - Namib Desert

Another day to rest before we start the long journey North. Perhaps on this day you will feel up to taking a tour into the desert. (Highly recommended)

Special quad bike tour in the Namib Desert - [www.kuisebonline.com](http://www.kuisebonline.com)

“The prehistoric Kuiseb River is older than the Namib Desert (the oldest desert in the world) and therefore the tour by Kuiseb Delta Adventures promises to be filled with interesting sights and facts, allowing visitors the ability to enjoy the tranquillity of being in a desert dune region.”

**This tour is included in pkg. price**

## Day 4: Swakopmund - Namib Desert

Fishing Day excursion.

The safari departs from Swakopmund between 07:45 – 08:15, with angling taking place at selected fishing sites along the coast. Transport is done in a 4x4 vehicle allowing access to some of the more remote spots and the distance traveled can be anything from 8 - 120km's (your guide has a good idea where the fish will be biting depending on the time of year and weather conditions.)

Your fishing guides assist with bait presentation, casting and coaching; therefore even the complete novice can experience the thrill of fishing! All equipment and permits for a day's fishing is provided and you will be supplied with a lunch-pack and refreshments.

This adventure is an ideal sport for every fisherman, as the coastline of Namibia provides excellent fishing opportunities. From the beach, the following species are frequently caught:

Cob, west coast steenbras, and various shark species can be caught; one of them being the famous copper shark which can weigh up to 180 kg's.

Any fish caught can be kept or released, while sharks are always released.

**This tour is included in pkg. price**

## **Day 5 Transfer to Sesembo Hunting safaris or next destination**

This Transfer depends on the clients. Normally this tour is added at the beginning of the hunting safari and transfer will be done to Sesembo hunting safaris bush camp, or drive back to Windhoek if it is the last part of the unforgettable journey.
